

Is it possible to transport the aromas of homemade cooking thousands of kilometers away? The recipe is a mixture of excitement, love for slow-cooked flavors, a good business project and products bursting with flavor and authenticity. The company La Tejea makes jams and sauces that are 100% natural, using excellent raw materials and no additives.

Our company is located in El Real de San Vicente, a mountain town in the northeastern corner of the province of Toledo (Castile-La Mancha · Spain). A peacefulness rural area, dotted with oaks and forest tickets marked by hills that soften the natural obstacles of the mountain itself covered with oak and chestnut trees. Our town that is very rich in orchards and vegetable gardens is also surrounded by a large forested area. This varied natural landscape is another factor that La Tejea wants to honor and transmit through their products. La Tejea avails of local and provincial products to make its artisanal preserves.

We have a wide range of delicacies all of them homemade, all-natural product, free of additives and preservatives.

Cooked Potatoes for Spanish Omelette

Prepared potatoes for **Spanish Omelette**, with onions and potatoes and with onions, peppers, sausage and bacon, Iberian Ham and mushrooms, they are the six varieties presented by La Tejea. They have been made with the best Extra Virgin Olive Oil and selected potatoes, these prepared dishes are a very tasty icon from our traditional cuisine.

Potatoes are slow-cooked to preserve their flavor and texture. You only need to beat 4 eggs, mix the previously drained potatoes, season and set up the tortilla with a few drops of olive oil from the same preparation. The result is a four portions Spanish Omelette, to choose between the six varieties presented by La Tejea.
