

*Is it possible to transport the aromas of homemade cooking thousands of kilometers away? The recipe is a mixture of excitement, love for slow-cooked flavors, a good business project and products bursting with flavor and authenticity. The company La Tejea makes jams and sauces that are 100% natural, using excellent raw materials and no additives.*

*Our company is located in El Real de San Vicente, a mountain town in the northeastern corner of the province of Toledo (Castile-La Mancha · Spain). A peacefulness rural area, dotted with oaks and forest tickets marked by hills that soften the natural obstacles of the mountain itself covered with oak and chestnut trees. Our town that is very rich in orchards and vegetable gardens is also surrounded by a large forested area. This varied natural landscape is another factor that La Tejea wants to honor and transmit through their products. La Tejea avails of local and provincial products to make its artisanal preserves.*

*We have a wide range of delicacies all of them homemade, all-natural product, free of additives and preservatives.*

# Artisanal Jams

Our products are all made in small batch to get more control on quality. We are just making artisanal jams that are 100% natural, using excellent raw materials – many of which are from the nearby surroundings – and no additives. The production process has been preserved from ancient times and passed down to their descendants.. The result is a marvelous range of jams that collect the essence of nature.
